

How to use your Tea-zer Tea Tumbler

- Step 1: Place basket into tumbler
- Step 2: Add loose tea to the Tea-zer's basket. Leave handle up. ***If handle is left in down position it may become hot and burning may occur.***
- Step 3: Pour hot water over basket until basket is half submerged in water. See water level through the translucent wall of the tumbler. Add more water as needed.
- Step 4: Steep to desired taste.
- Step 5: Remove brewing basket before placing travel lid on tumbler.
- Step 6: Insert sip lid. Screw on outer lid to retain heat for traveling
- Step 7: Enjoy!
